Dear friend on Michigan Supreme Court  
the Michigan Constitution as well as the  
United States Constitution make it clear  
that Judges are Not to Make the Law But  
rather interpret the Law. Why is the  
Michigan Supreme Court Even considering  
taking steps that would effectively  
change the Law By Denying Michigan  
asbestos Disease Victims their right  
to a Jury Trial.

Thank You  
James Scott Jr
